

What to bring to your WIC Appointment

1 Proof of Household Income

One month of income documents for everyone in the family who works or has a source of income.*

For example:

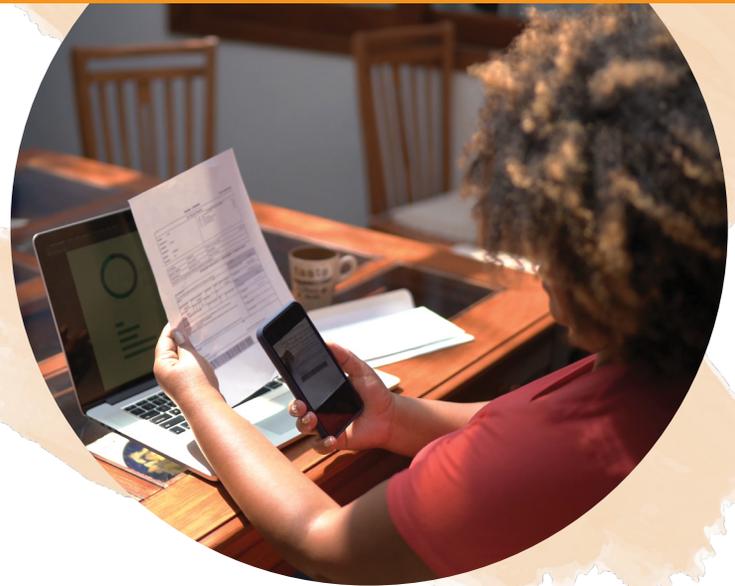

- Paycheck stub(s) for all jobs
- Recent tax returns
- A letter from your employer
- Child support statement
- Disability statement

*You may be automatically income eligible if you or certain family members participate in the following programs: Medicaid, SNAP or Temporary Assistance for Needy Families (TANF). In this case we still need verbal monthly income for everyone in family who has source of income.

2 Proof of Identity and Address

For example:

- Driver's license
- Other photo ID such as passport, school ID, etc.
- Utility bill
- Rent receipt or lease agreement
- Business letter addressed to you

3 Proof of Pregnancy

For example:

- Sonogram/ultrasound pictures
- A note from your doctor saying you are pregnant

4 Child's Proof of Identity (for all children enrolled)

For example:

- Medicaid card
- Birth certificate
- Hospital birth record
- Photo ID

Upload documents in the
Delaware WIC app:
